## **Oral Communication in Chinese**

- All-purpose, beginner to low intermediate
- MP3 recordings: www. morefunchinese. com/resource/file
- Each book includes fifteen units and two Chinese songs. It is recommended to spend 50-70 class periods on each book.
- Abundant tasks and activities allow students to learn Chinese as they
  use Chinese, and effectively strengthen their Chinese communication
  skills within a short period of time.
- Each unit is primarily comprised of communication-based tasks. Texts are concise, easy to learn, and relevant to students' lives.
- Plenty of pictures are provided to allow students to enter the scenarios in the book.
