# YCT Test Syllabus & Guide

Students taking the YCT, Chinese teachers for children

4 books

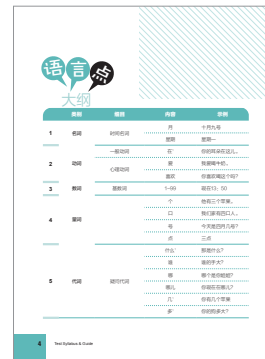

- **Official:** A revised, edited and improved version of the 2009 syllabus, issued by the Confucius Institute Headquarters (Hanban).
- **Advanced:** Follows topic-based and task-based teaching methodologies, using conversation topics and language tasks as the core of the content.
- **Well-organized:** Divided into levels according to credible language data, children's cognitive development, and the natural process of language acquisition.
- **Detailed content:** Includes a topic outline, task outline, grammar outline and vocabulary outline.
- **Useful Resources:** Each level includes actual YCT test questions, and a test-taking guide.
